mobile and land-based telecommunications facilities. The Countywide Telecommunications Task Force has completed and recommended Zoning Ordinance and Comprehensive Plan Amendments concerning the placement of wireless telecommunications facilities. The Planning Commission held a public hearing on the issue on June 18, 2003, and has scheduled its decision (recommendation) for July 23, 2003.

Chairman Hanley stated that the Board public hearings are scheduled for August 4, 2003. However, to allow additional time for these items to be considered and discussed by the community, she moved that the Board defer the public hearings on these items until September 29, 2003. Supervisor Mendelsohn seconded the motion, which carried by unanimous vote.

36. **GROUND EFFLUENT DISCHARGE** (Tape 4)

Chairman Hanley stated that it had been called to her attention that the Virginia Department of Environmental Quality (VDEQ) adopted a streamlined procedure for approval of corrective action plans for discharge of treated groundwater from remediation sites. This review process does not include Fairfax County. Historically, the County has reviewed corrective action plans for the discharge of treated waters from gas stations and other industrial sites. A review process is already in place.

Chairman Hanley stated that the streamlined practice raises numerous concerns regarding adequate review and monitoring of the remediation process when the discharge is directed to a storm sewer that is not regulated by the County. Because the County is required to comply with the Clean Water Act and the Chesapeake Bay Ordinance, she asserted that it is imperative that the County be assured of proper monitoring and handling of groundwater effluent into state waters within the County.

Accordingly, Chairman Hanley moved that the Board:

- Direct staff to contact VDEQ and investigate current procedures that ensure groundwater remediation effluent will be properly monitored and tested to prevent non-compliance with the Clean Water Act and the Chesapeake Bay Ordinance.
- Direct the County Executive to draft a letter on behalf of the Board to VDEQ expressing the County's concern regarding the discharge of groundwater remediation effluent into state waters within the County and requesting notification of all current discharges and those approved in the future which are or will occur within the County. (She clarified this as requesting notifications in the future.)

- Direct the County Attorney to investigate legal avenues that are available to the County to ensure the protection of State waters within the County from remedial discharges that may be non-compliant with the Clean Water Act and the Chesapeake Bay Ordinance.

Supervisor Mendelsohn seconded the motion.

Following discussion, the question was called on the motion, which carried by unanimous vote.

Vice-Chairman Hyland returned the gavel to Chairman Hanley.

37. **DEFERRAL OF THE PUBLIC HEARING FOR SPECIAL EXCEPTION AMENDMENT APPLICATION SEA 93-D-018-2 (DRANESVILLE DISTRICT)** (Tape 4)

Supervisor Mendelsohn announced that the public hearing on Special Exception Amendment Application SEA 93-D-018-2, scheduled for 4:30 p.m., had been deferred indefinitely. He asked unanimous consent that the Board direct the Clerk to notify the scheduled speakers. Without objection, it was so ordered.

(NOTE: Later in the meeting, this public hearing was deferred indefinitely. See Clerk's Summary Item CL#82.)

38. **HERNDON FREE CLINIC (DRANESVILLE DISTRICT)** (Tape 4)

With reference to his written Board Matter on the subject, Supervisor Mendelsohn said that the Herndon Free Clinic will be celebrating its first anniversary on July 27, 2003. It is a non profit, community-based organization of volunteer healthcare professionals and community volunteers, committed to providing access to quality health services for the uninsured, low-income residents of the Herndon area. Health care professionals and community volunteers from diverse backgrounds share a common desire to help ensure that low-income children receive physicals so they are able to enroll in school.

As a result of the effort of Ms. Jeanie Schmidt and her fellow volunteers at the Herndon Free Clinic, 356 children from 15 nationalities received free school admission health screenings since July 2002. In addition to the physicals for Fairfax County Public Schools K-12 children, the clinic's services recently expanded to include physical examinations for babies and toddlers to enroll in Early Head Start, Head Start, and physicals for summer camps for Boy Scouts and Girl Scouts. The ultimate goal is to provide services to the entire family.

Accordingly, Supervisor Mendelsohn moved that the Board direct staff to invite Ms. Schmidt and members of the Herndon Free Clinic Board of Directors to appear before the Board on July 21, 2003, to be recognized and congratulated for

this significant accomplishment. Supervisor Connolly seconded the motion and it carried by unanimous vote.

39. **SCHEDULING OF PUBLIC HEARING FOR SPECIAL EXCEPTION APPLICATION SE-2002-DR-026 FOR A PARKING GARAGE FOR THE WEST FALLS CHURCH METRO STATION (DRANESVILLE DISTRICT)** (Tape 4)

Supervisor Mendelsohn noted that the Washington Metropolitan Area Transit Authority (WMATA) filed Special Exception Application SE-2002-DR-026 for approval to build a parking garage to accommodate approximately 1,000 cars on a portion of the existing surface parking lot at the West Falls Church Metro Station. Although the issue of replacement parking has not yet been resolved, WMATA requested that the public hearing to be held before the Board be scheduled for August 4, 2003, to avoid delaying the implementation of the new parking structure.

Accordingly, Supervisor Mendelsohn moved that the Board direct staff to schedule a public hearing to be held before the Board for Special Exception Application SE 2002-DR-026 for August 4, 2003. This motion does not relieve the applicant from compliance with the provisions of any and all applicable ordinances, regulations, or adopted standards, and it does not constitute support by the Board for the special exception application. Supervisor Kauffman seconded the motion and it carried by unanimous vote.

40. **SCHEDULING OF PUBLIC HEARING FOR REZONING APPLICATION RZ-2003-DR-019 FOR LANGLEY HILL FRIENDS MEETING (DRANESVILLE DISTRICT)** (Tape 4)

Supervisor Mendelsohn said that the Langley Hill Friends Meeting, a Quaker meeting house that has been a part of the Dranesville community since 1960, is seeking to construct an addition to its facility. The existing building, located in the R-1 District on Georgetown Pike in McLean, has operated as a church since 1893 and, accordingly, is not subject to a special permit. The Meeting seeks to construct a modest addition of approximately 682 square feet to improve accommodations for the educational, social, and administrative activities of the congregation at its present size. Although the proposed addition is relatively minor, the limited lot area of the property, approximately 15,300 square feet, causes the proposed total floor area ratio to slightly exceed what is permitted in the R-1 District. As a result, the applicant is seeking a rezoning to the R-2 District which would allow the additional floor area ratio and a special permit to allow the existing church use. The rezoning is scheduled to be heard by the Planning Commission on September 11, 2003. The applicant has requested a date certain for the hearing before the Board.

Accordingly, Supervisor Mendelsohn moved that the Board direct staff to schedule a public hearing to be held before the Board for Rezoning Application RZ 2003-DR-019 for October 20, 2003. This motion does not relieve the applicant from compliance with the provisions of any and all applicable ordinances, regulations, or adopted standards, and it does not constitute support by the Board for the rezoning application. Supervisor Hyland seconded the motion and it carried by unanimous vote.

41. **SCHEDULING OF SPECIAL EXCEPTION APPLICATION SE-2003-DR-019 FOR NEW YORK AVENUE GATEWAY LLC (DRANESVILLE DISTRICT)** (Tape 4)

Supervisor Mendelsohn said that New York Avenue Gateway LLC, the owner of a property in the McLean Revitalization District located at 6832 Old Dominion Drive, has recently filed Special Exception Application SE 2003-DR-019. It would allow a commercial tenant to place a sign advertising its business on a corner commercial property. By adding the requested 84 square feet of signage to this property, coupled with existing signage for first floor retail tenants which face both on Beverly Road and on Old Dominion Drive, the owner exceeded his maximum allowable by-right square footage by 78 square feet. This application is scheduled for a public hearing to be held by the Planning Commission on October 9, 2003, and the applicant has requested a date certain for the public hearing of the Board.

Therefore, Supervisor Mendelsohn moved that the Board direct staff to schedule a public hearing to be held before the Board for Special Exception Application SE 2003-DR-019 for October 20, 2003. This motion does not relieve the applicant from compliance with the provisions of any and all applicable ordinances, regulations or adopted standards and does not constitute support by the Board for the special exception application. Supervisor Hyland seconded the motion and it carried by unanimous vote.

42. **SCHEDULING OF PUBLIC HEARING FOR SPECIAL EXCEPTION APPLICATION SE-2003-DR-018 FOR BANK OF AMERICA (DRANESVILLE DISTRICT)** (Tape 4)

Supervisor Mendelsohn said that the Bank of America filed Special Exception Application SE 2003-DR-018 to permit a drive-through bank on the old Post Office site on Walker Road in Great Falls. The bank proposes to raze the existing building and to construct a 4,000 square foot building with two drive-through lanes. The applicant is working closely with the Great Falls Citizens Association and staff to address any issues or concerns that may arise during the review of the application.

Supervisor Mendelsohn said that this application is currently scheduled for a public hearing before the Planning Commission on Wednesday, September 24, 2003. The applicant has requested concurrent processing and recognizes the risks involved in proceeding with concurrent processing.

Therefore, Supervisor Mendelsohn moved that the Board direct the staff to:

- Proceed with concurrent processing of Special Exception Application SE 2003-DR-018.
- Schedule a public hearing to be held before the Board for Special Exception Application SE 2003-DR-018 for October 20, 2003.

This motion does not relieve the applicant from compliance with the provisions of any and all applicable ordinances, regulations, or adopted standards and does not constitute support by the Board for the special exception application. Supervisor Hyland seconded the motion and it carried by unanimous vote.

43. **MOUNT VERNON HOSPITAL LEASE (MOUNT VERNON DISTRICT)**
(Tape 4)

Noting the recent press coverage regarding Inova's Mount Vernon Hospital, Chairman Hanley relinquished the Chair to Vice-Chairman Hyland and asked unanimous consent that the Board direct staff to distribute copies of the relevant portions of the Mount Vernon Hospital lease regarding ownership and authority of the Board. Without objection, it was so ordered.

Vice-Chairman Hyland returned the gavel to Chairman Hanley.

44. **RECREATION CENTER REDUCED RATES** (Tape 4)

Supervisor Frey noted that the County offers reduced rates to senior citizens who use the County's recreation centers. He said that a constituent contacted his office to inquire about the possibility of offering the same reduced rate to citizens with disabilities. Accordingly, he asked unanimous consent that the Board direct staff to research this matter to determine any issues regarding the feasibility of offering a reduced rate to citizens with disabilities at the County recreation centers. Without objection, it was so ordered.

45. **SCHEDULING OF PUBLIC HEARING FOR SPECIAL EXCEPTION APPLICATION SE 2003-SU-016 (SULLY DISTRICT)** (Tape 4)

It is processing a special exception application for a drive-through bank at the base of the building. The Planning Commission public hearing is scheduled for October 1, 2003.

Supervisor Frey moved that the Board authorize the scheduling of a public hearing to be held before the Board on October 20, 2003, for Special Exception Application SE 2003-SU-016. He noted that the applicants understand that this motion does not relieve them of any obligation, ordinance or standards, and will not prejudice the consideration of the application in any way. Supervisor Bulova seconded the motion, which carried by unanimous vote.

46. **SCHEDULING OF PUBLIC HEARING FOR REZONING APPLICATION RZ 2002-SU-034 AND SPECIAL EXCEPTION APPLICATION SE 2002-SU-039 (SULLY DISTRICT)** (Tape 4)

Supervisor Frey stated that Dennis and Karen Hogge filed rezoning and special exception applications to permit Wendy's and Midas on property located on Old Centreville Road. The Planning Commission recommendation on the applications was deferred to give the contract purchasers time to address current road deficiencies. For contractual reasons, the agent requested that the Board schedule the public hearing to be held before the Board on August 4, 2003.

Accordingly, Supervisor Frey moved that the Board authorize the scheduling of the public hearing for Rezoning Application RZ 2002-SU-034 and Special Exception Application SE 2002-SU-039 to be held before the Board on August 4, 2003. He noted that the applicants understand that this motion does not relieve them of any obligation, ordinance, or standards, and will not prejudice the consideration of the application in any way. Supervisor Hyland seconded the motion, which carried by unanimous vote.

47. **AIR AND SPACE MUSEUM** (Tape 4)

Supervisor Frey said that he attended some events at the Smithsonian's new Air and Space Museum in Chantilly last week. It is scheduled for public opening on December 15, 2003. Without objection, it was so ordered.

Supervisor Hudgins asked unanimous request that the Board direct staff to schedule tours for Board Members prior to the opening. Without objection, it was so ordered.

(NOTE: Later in the meeting, this public hearing was formally deferred. See Clerk's Summary Item CL#74.)

49. **INTENT TO DEFER THE PUBLIC HEARING ON REZONING APPLICATION RZ 2002-MA-045 AND SPECIAL EXCEPTION AMENDMENT APPLICATION SEA 84-M-069 (MASON DISTRICT)** (Tape 4)

Supervisor Gross announced her intent, at the appropriate time later in the meeting, to defer the public hearing on Rezoning Application RZ 2002-MA-045 and Special Exception Amendment SEA 84-M-069 until August 4, at 4:30 p.m. due to an affidavit issue.

(NOTE: Later in the meeting, this public hearing was formally deferred. See Clerk's Summary Item CL#81.)

50. **EXPEDITED PROCESSING FOR SPECIAL EXCEPTION AMENDMENT APPLICATION SEA 81-M-034, JACK J. AND LYN R. MORRIS (MASON DISTRICT)** (Tape 4)

Supervisor Gross said that Jack J. and Lyn R. Morris have been the owners of the property identified as Tax Map 51-4-((2))-A-8 for almost 30 years. Mr. Morris received approval of a special exception to operate an office on the property in 1977, subject to a time limitation. A second special exception was granted in 1981 with no time limitation, but subject to a development condition that the approval was granted to the applicant only and is not transferable to other persons or corporations. Mr. Morris is ready to sell his property, and this condition has been an obstacle when entering into a contract. Special Exception Amendment Application SEA 81-M-034 was been submitted to the Department of Planning and Zoning. The sole purpose is to modify the referenced development condition so that the special exception runs with the land, which is consistent with current special exception approvals.

Accordingly, Supervisor Gross moved that the Board direct staff to expedite processing and schedule the public hearing for Special Exception Amendment Application SEA 81-M-034 for a date of, or prior to, October 27, 2003. This motion should not be construed as a favorable recommendation on the application by the Board, and does not relieve the applicant of compliance with the provisions

of any applicable ordinances, regulations, or adopted standards. Supervisor Hyland seconded the motion and it carried by unanimous vote.

51. **EXPEDITED PROCESSING FOR SPECIAL EXCEPTION AMENDMENT APPLICATION SEA 01-M-052, COMBINED PROPERTIES LIMITED PARTNERSHIP (MASON DISTRICT)** (Tape 4)

Supervisor Gross said that Combined Properties Limited Partnership recently submitted a special exception amendment application to revise the hours of operation of the approved drive-through bank located in the Bradlick Shopping Center. In May 2002, the Board approved Special Exception Application SE 01-M-052, which included a development condition restricting the bank's hours of operation. In an effort to provide customers with more flexible drive-through and lobby banking hours, the applicant is seeking approval of extended service hours through an amendment to the special exception. Combined Properties is scheduled to meet with the Mason District Land Use Committee and the Annandale Central Business District Planning Committee prior to the Planning Commission and Board public hearings.

Therefore, Supervisor Gross moved that the Board direct staff to expedite processing and schedule the public hearing for Special Exception Amendment Application SEA 01-M-052 on, or prior to, October 27, 2003. This motion should not be construed as a favorable recommendation on the application by the Board, and does not relieve the applicant of compliance with the provisions of any applicable ordinances, regulations, or adopted standards. Supervisor Connolly seconded the motion and it carried by unanimous vote.

52. **MULTILINGUAL BROCHURES REGARDING BIAS CRIMES** (Tape 4)

Supervisor Gross said that in the ongoing effort to counter hate or bias crimes within the community, the Fairfax County Police Department has developed a brochure to inform County residents about what constitutes a bias incident, and what rises to the level of a bias crime.

Supervisor Gross stated that one of the impediments to accurate reporting of such incidents or crimes is that the most likely victims tend to be recent immigrants or those most identifiable with their ethnic community, and least likely to be fluent in the English language. Therefore, their chances of understanding the law and knowing that the community cares about stopping such incidents, and that the Police Department is committed to investigate and prosecute all bias incidents, is likely to be limited.

Supervisor Gross noted that the Police Department and various community organizations partnered to translate the bias crimes informational brochure into several languages to ensure that the potential victims of bias crimes or incidents are informed of their rights and how to contact the Police Department to report bias crimes and incidents. The brochures are available this summer for the first

time. She moved that the Board direct staff to invite the Chief of Police, the Human Rights Commission Director, and representatives from the appropriate partner organizations to be recognized for this important move forward to combat bias crimes and incidents in the County. Chairman Hanley seconded the motion and it carried by unanimous vote.

Chairman Hanley relinquished the Chair to Vice-Chairman Hyland and moved that the Board direct staff to add this information to the Police Department's website. The second to this motion was inaudible.

Supervisor Frey pointed out that the Sully District Police Station was not listed on brochures. Chairman Hanley amended her motion to direct staff to include that information on the website.

The question was called on the motion, as amended, which carried by unanimous vote.

Vice-Chairman Hyland returned the gavel to Chairman Hanley.

These applications seek approval to permit the replacement of the existing gas station with an oil lube establishment and other site improvements.

Therefore, Supervisor Connolly moved that the Board direct staff to:

- Process the site plan and other associated plans concurrently with Proffered Condition Amendment/Final Development Plan Amendment Application PCA/FDPA 84-P-035-04.
- Schedule a public hearing to be held before the Board on October 20, 2003, regarding Proffered Condition Amendment/Final Development Plan Amendment Application PCA/FDPA 84-P-035-04.

The Board of Supervisors is the title owner of this property, and the School Board is the lessee. The School Board requests Board authorization to file the application as applicant and agent for the title owner. Further, the School Board requests expedited and concurrent processing, and the scheduling of a Board hearing date, all to accommodate the construction schedule that is essential to meeting student needs for the 2004-2005 school year.

Therefore, Supervisor Hudgins moved that the Board:

- Authorize the School Board to file and pursue as applicant and agent for title owner, a proffered condition amendment/conceptual and final development plan amendment application for McNair Farms Elementary School.
- Direct the Department of Planning and Zoning to expeditiously process these applications and that the Board agree to set a Board public hearing on the proffered condition amendment/conceptual and final development plan amendment applications for the last Board meeting in October 2003.
- Direct the Planning Commission to set its hearing on a date prior to the Board's public hearing date that will facilitate accomplishing the Board hearing as scheduled.
- Direct the Department of Public Works and Environmental Services to accept the associated site and subdivision plans for processing concurrent with the zoning applications.

This motion does not relieve the applicant from complying with all regulations, ordinances, or adopted standards, and does not predetermine or prejudice the consideration of the zoning applications or engineering plans in any way. The section of the roadway has now been accepted into the State system and VDOT has notified the community that the signs will be removed.

Therefore, Supervisor Hudgins moved that the Board forward a request to VDOT to consider waiving its removal of the stop signs. Chairman Hanley seconded the motion.

Following discussion, Chairman Hanley relinquished the Chair to Vice-Chairman Hyland and asked to amend the motion to include "an acceptable alternative is a traffic light." This was accepted.

Vice-Chairman Hyland returned the gavel to Chairman Hanley.

Supervisor Hudgins asked to amend the amendment to the motion as follows: ". . . until a light is warranted." This was accepted.

62. **RESOLUTION FROM MOUNT VERNON COUNCIL OF CITIZENS ASSOCIATIONS (MVCCA) (MOUNT VERNON DISTRICT)** (Tape 6)

Supervisor Hyland said that the MVCCA is requesting that the Board direct the County Attorney to review the *Code of Virginia* and the Code of the County of Fairfax with the Chief Judge of the District Court to identify any legal impediments to establishing and operating a traffic court at the South County Center on Richmond Highway.

Supervisor Hyland noted that this is being requested since the Chief Judge, at an earlier meeting, indicated that there may be legal impediments to establishing and operating a traffic court in any location other than the Judicial Center in Fairfax. Therefore, the MVCCA, asks that the County Attorney be requested to propose modifications to remove any impediments and that the MVCCA proposal be included in the Legislative program for the next session of the General Assembly.
