JOSHUA DANEHOWER INDICTED FOR MURDER

Fairfax County, VA — Commonwealth's Attorney Steve Descano announced that Joshua Danehower, 33, of Arlington, was indicted by a grand jury yesterday in the killing of Gret Glycer.

Danehower was indicted on two felony charges for murder and for the use of a firearm in commission of a felony. Glycer, a resident of Fairfax City, was found shot to death in his bed in the early morning of June 24, 2022. Detectives identified Danehower as the alleged murderer through analysis of the bullet casings found on the scene, according to evidence provided at a preliminary hearing.

CA Descano commended the investigative work of Fairfax City Police in helping to identify the defendant. "My office takes violent crimes like these very seriously, and we are grateful to Dets. Trey Lightly and Matthew Greene for their excellent work on this case in pursuit of justice for the victim's family and the community."

A trial date will be set on January 19.

A criminal indictment is an accusation. A defendant is presumed innocent unless and until proven guilty.
