PURPOSE

The Fairfax County Consolidated Community Funding Advisory Committee (CCFAC) has released, for public comment, the *Draft Categories for the Consolidated Community Funding Pool (CCFP)* for the FY 2025-2026 two-year cycle. The CCFP is a Fairfax County competitive contract award process for eligible programs and services offered by community-based organizations. Comments on this proposal can be provided in writing or presented at the CCFAC online public hearing Tuesday, April 11, 2023 at 6:30 p.m. After receiving public comments, the CCFAC will recommend funding categories to the Board of Supervisors for FY 2025-2026. The Board is expected to consider the CCFAC's recommendation at their meeting on Tuesday, June 27, 2023, and act on the categories to be included in the Consolidated Community Funding Pool (CCFP) Request for Proposals (RFP) that will be issued in the fall of 2023 for the FY 2025-2026 two-year cycle.

The Fairfax County Consolidated Community Funding Advisory Committee (CCFAC) is interested in hearing from ALL residents, including those who need, or are receiving, human services assistance; and from local community and faith-based organizations, and private enterprises that provide direct services to or advocate for County residents.

During the on-line public hearing, participants will have an opportunity to make presentations and take part in discussions designed to gather information about the categories.
