## Proposed Amendment to Comprehensive Plan Economic Development Policy

Fairfax County Comprehensive Plan, 2017 Edition, Policy Plan, Economic Development, Amended through 3-4-2014, page 2

Objective 2: Provide an environment, through land-use decisions and public facilities investment, which promotes access to high quality education for all community members, to include preschool through 12<sup>th</sup> grades, apprenticeships, career and technical education, certification programs, higher education, and adult education:

<ul> <li>Policy a. Promote land use and revitalization that encourages socioeconomic diversity throughout the County and minimizes pockets of poverty.</li> <li>Policy b. Foster diverse and high quality educational options that help develop the skills community members need to adapt to changes in the economy and technological and workplace innovation.</li> <li>Policy c. Collaborate with the business, non-profit organizations and other partners to provide Fairfax residents access to opportunities for knowledge and skills development needed to be successful in the workplace and community.</li> <li>Policy d. Enable access to high-quality life-long opportunities for adults to expand their knowledge and skills.</li> </ul>
