Outreach

This office was invited to participate in meetings to discuss the plausibility of PCRP youth engagement. As the end of the school year and summer draw near, we are looking to collaborate with our County partners to engage and inform Fairfax County youth. During the month of June and throughout the summer there will be various opportunities for the entire Panel to participate in outreach endeavors. At these meetings were representatives from Neighborhood and Community Services, The Out of School Network, and My Brothers Keepers. We look forward to future meetings to include representatives from the Fairfax County Police Department, Communities of Trust, the Commonwealth Attorney's Office, and any office willing to collaborate on the concept of a "Safe Summer" event. Additionally, we will look to have a PCRP table summer fairs and events throughout the County and posting those outreach opportunities on our website for Panel participation.
