Board Matter

Providence Presents

Members of the Board,

As we all are aware, the Fairfax County Park Authority's Summer Entertainment Series is starting back up beginning this week. I am thrilled to announce that we have expanded the series in the Providence District – now called *Providence Presents*. In addition to Nottoway Nights in Vienna on Thursdays, we have now added the Global Music & Dance in Falls Church on Wednesdays. This new program will highlight local international arts groups, with a focus on dancing. I have attached both the English and Spanish flyers.

These free outdoor performances are possible thanks to our strong partnership with our Parks, our volunteers, business sponsors, individual donors, and the Fairfax County Park Foundation.

Therefore, I move that the Office of Public Affairs advertise the attached flyers to their channels and invite the community to join me in welcoming talented musical performers to the Providence District for some outdoor entertainment.
