Animal Shelter Corner

Meet Thunder!

Age: 9y 4m

Gender: Male

Color: Red

Spayed/Neutered: Yes

Size: Large

Thunder is the total package! He's super friendly with everyone he meets, has

lived with another dog and a cat in the past, tolerates well mannered children, and likes a healthy mix of chilling inside and exploring the outdoors with his people. He loves "chatting" with his people and telling you all about his day. And he is housebroken. What's not to love?

He recently spent some time with one of the shelter's fosters, and this is what she had to say: "Thunder - where do I even start?! The family that adopts him will be SO lucky! He is a perfect gentleman who greets any and everyone with a tail that goes in circle like a pinwheel - it is the cutest thing ever. He loves to be with his people inside/outside and doesn't mind taking a nap next to you on the couch or sleeping in your room (even your bed if you'll let him). He was amazing with all the children he met and my kids adored him. He is house trained, a dream on a leash, takes treats (or a McDonald's burger) so sweetly and even let me hold his food bowl for him so it could be higher for him to eat. He knows sit, lay, and shake. And car rides - he loves to have his face by the window getting fresh air. If he sees the leash or hears walk he is ready to go--and he might tell you so. And he was perfect with our cat. He is slowing down some with his hips but once he is up and going he's young at heart."

For more information about Thunder contact the Fairfax County Animal Shelter at 703-830-1100 or by email at AnimalShelter@fairfaxcounty.gov.
