## **Public Feedback Invited on I-95 Corridor Improvement Study**

The Office of Intermodal Planning and Investment, the Virginia Department of Transportation, and the Department of Rail and Public Transportation, under the leadership of the Commonwealth Transportation Board (CTB), are developing a plan to study Virginia's 179 miles of the I-95 corridor between the Woodrow Wilson Bridge in Alexandria, VA and the North Carolina border.

Feedback provided by members of communities, industries, and other stakeholders will be considered as team members study the corridor throughout the summer and prepare a draft plan report in the fall. The CTB plans to report findings to the General Assembly in December 2019.

## The Green Column

## Keep Yard Waste Out of Natural Areas

Protect parks and streams from the harmful effects of dumping. Dumping is not composting.

**Do** bag it at the curb in recyclable containers or paper bags. Acceptable materials include: brush, grass clippings, leaves, and branches (no larger than 6" in diameter). **Don't** dump yard waste in common areas and storm drains. It is harmful and illegal! Don't bag pet waste, rocks, diseased plants, invasive plants, and plastic.

**If in doubt leave it out.** Don't contaminate yard waste - it gets processed into free community mulch and compost. Dispose of "Don't" items in your regular garbage.

## Animal Shelter Corner

## Meet Arnold!

Age: 9y

Gender: Male

Color: White/Black

Spayed/Neutered: Yes

Size: Small

Poor little Arnold was pretty much a mess when he was found by the Animal Protection Police tied to a tree. His fur was badly matted, his skin was not in good shape, his teeth has seen better days, and he had some lumps and bumps that needed tending. He got fixed up by the Animal Shelter's amazing veterinary staff and is starting to feel better already! The Friends of the Fairfax County Animal Shelter really stepped up for Arnold and funded a dental procedure and a couple of benign mass removals. To top it all off, he got to spend some time in foster to rest and recuperate.

His latest foster mom described him as a velcro dog who loves sleeping on your pillow. He is very friendly, has lots of energy, and loves going for walks.

He will take treats very gently, but is food possessive so please don't go near his food bowl while he's eating. Arnold's a cute, adorable little dog whose journey to recovery isn't complete yet, but he's well on his way!

For more information about Arnold, contact the Fairfax County Animal Shelter at 703-830-1100 or by [email](#).
